ENVER BEY AGAIN WINNER

THOMPSON JUVENILE SCORES FOR THIRD SUCCESSIVE TIME AT HAVRE DE GRACE.

Wins Aberdeen Stakes with Ease by Good Margin—Special Race Arranged for Ten Point, Frederick L. and Buskin, Kentucky Derby Candidates.

Havre de Grace, Md., April 28.—L. S. Thompson's Enver Bey beat a good band of two-year-olds in the Aberdeen Stakes this afternoon. He was ridden by Troxler, made all of his own pace and won with plenty in reserve by a couple of lengths. Enver Bey ran in blinkers and he showed more of the disposition to bear out than he did in his previous races. The four and a half furlongs were run in :55, which was fast, considering that the going in the last quarter was slow. Two Clabaugh Memorial candidates finished behind Enver Bey in Executor and Canto. The former was an added starter and the Viriginians made no secret of the fact that they fancied his chances. Butwell gave the colt a rousing ride and he was a forward contender all the way.

The heavy rains of yesterday had but little effect on the track, the going on the backstretch being in good condition, while the last quarter in the homestretch was slow. This proved a bit confusing to those who based their figures on heavy going. Between the races, Buskin, a candidate for the special race to be run on Wednesday, worked a mile in 1:43⅖, the fractional time being 25⅖, 50⅖, 1:16.

The Harford Agricultural and Breeders' Association has announced a special race for Wednesday next for the crack three-year-olds, Ten Point, Frederick L. and Buskin. These three are Kentucky Derby eligibles and it is the intention of their owners to ship them from here to Louisville to start in the Churchill Downs classic. The distance of Wednesday's race is one mile and the weights will be: Ten Point, 113; Frederick L., 111, and Buskin, 102. One condition insisted on by the owners stipulates a good day and track. The association will add $1,000 to the race.

After Spohn was beaten in the first race on Saturday last, he was claimed from H. G. Bedwell by Amos Turney for $1,400.

Tim Donohue purchased Cliftonian and M. Cambon from R. F. Carman before the latter shipped his stable from Benning. He paid $2,500 for the pair and they will be developed into steeplechasers. Both are reported as having schooled well through the Benning field.

Colonel Ashmeade has been transferred to J. P. Mayberry by Carl L. Boney. The latter has a couple of two-year-olds in the Fitzsimmons stable.

The two-year-old Punch Bowl, which forced Enver Bey to a drive to beat him in the fifth race on Thursday last, is reported to have come out of that race with an injured hock. At all events the colt is lame behind and was scratched from the Aberdeen Stakes this afternoon.

Trainer Feustel of the Belmont stable shipped over from Pimlico yesterday Flittergold, Mission and Violet Ray. The former is a brother to Fair Play.

Algernon Daingerfield came on from New York this morning to take W. S. Vosburgh's place as presiding steward during the absence of the latter, who was detained in New York.

Willie Applegate, just back from London, Eng., was a visitor at Havre de Grace this afternoon. He remained for the day only and left for Lexington tonight.

Allie Loudon, secretary of the Hamilton and Connaught Park Jockey Clubs, will be at Pimlico next week to look after the closing of the Canadian stakes. Fifty new stalls have been built at the Hamilton track, which insures plenty of room for all who may wish to ship there.

Troy Weight pulled up lame this morning and was scratched today.

FORMER JOCKEY KILLED IN WEST.

Spokane, Wash., April 28.—In today's fourth race at the Alan track the winner, Manasseh, simply played with her opposition. She permitted Ada Meade to take the lead in going down the backstretch, but dashed to the front on the far turn and won with great ease. John Louis closed with a great rush and beat First Star, which appeared to have second place safe until the last few strides.

George A. Fraser, vice-president and general manager of the Victoria County Club of Victoria, B. C., who has recently recovered from a severe illness, arrived yesterday with his family to remain until the close of the meeting. He is the owner of one of the largest strings racing here this season.

W. H. Fizer arrived this morning, coming direct from Kentucky. His horses arrived in advance of him.

Lloyd Fountain, a former jockey and son of D. S. Fountain, who is at present racing a string of horses here, fell out of a window in a Spokane hotel where he was visiting a young woman Saturday night in company with jockeys Chas. Burlingame and W. J. O'Brien. He left this room in advance of the other boys and fell from an open window in a dark hallway that had no protection to the sidewalk, about thirty feet below, fracturing his skull. An operation was performed, but he died Sunday at noon. Burlingame, O'Brien and the young woman were held pending an inquiry, which was held this morning. After the testimony was heard, they were all exonerated, the jury returning a verdict of accidental death. His mother, who was coming here from California to be with the family, arrived in the morning a few hours before he passed away.

IMPORTANT RACE FOR MR. DURYEA.

Paris, France, April 28.—In beautiful spring weather a great crowd, including many fashionable women, attended the Longchamps races yesterday afternoon. The course was in excellent condition and fine sport was seen. Americans, who were numerous in the paddock, found delight in the outcome of the day's principal race, the fifty-sixth Prix Biennial, which H. B. Duryea's Blarney won by half a length. This race yielded $5,000 to the winner and $250 to the breeder.

Blarney's victory served to vindicate the American stallions, many of which France seeks to bar from the Stud Book on the ground that their stock cannot stay. Interest was heightened by the fact that Mr. Duryea's color is green. Blarney, which is by Irish Lad, was trained by Murphy and ridden by M. McGee.

August Belmont's Orage II. finished third in the race for the Prix d'Jena. All other representatives of American stables, horses wearing the Belmont, Widener, Duryea and Vanderbilt colors, were unplaced.

BELMONT YEARLINGS ON THE WAY.

Paris, France, April 28.—August Belmont has shipped all his French-bred yearlings to America, where they will be sold when racing is re-established on the New York tracks. This will be the first time that French-born American horses will have run in American races. Mr. Belmont will continue to race a division of his stable in France.

DERBY DAY PROGRAM AT CHURCHILL DOWNS IS ANNOUNCED

Louisville, Ky., April 28.—After spending a day in attendance at the inauguration of the Lexington meeting, John Hachmeister, of the Douglas Park and Latonia tracks, is busy preparing for the big twelve-day spring meeting at the former plant, which begins on Monday, May 26.

The feature of the opening at Douglas Park is the Kentucky Handicap, for three-year-olds and upward, one mile and a quarter, to which the Douglas Park Jockey Club has added $10,000. This is a greater amount of money than was ever before added to a stake in the history of Kentucky racing, and it will result in making this event the richest race run on the American turf in 1913, unless one of the associations adds a greater amount to the four-mile Kentucky Endurance Stakes next fall. The Kentucky Handicap will be richer than any Derby run this season and no two-year-old stake will approach it in value, not even excepting the Breeder's Futurity at Lexington, or the Cincinnati Trophy at Latonia.

Aside from the richness of this event, it will bring together, as early in the season as May 26, practically every good horse now in training, three-year- olds and upward. The winner of the coming Kentucky Derby is sure to go to the post in this handicap, and the future winners of such events as the Latonia and Canadian Derbys will undoubtedly be in the field that will face starter Cassidy in the Kentucky Handicap on May 26.

Such three-year-olds as Hawthorn, Helios, Ten Point, Foundation, Leochares, His Majesty, Floral Park, Gowell, McCorkle, Frederick L. and others of high reputation, are eligible for this stake and the older stars like The Manager, Froglegs, Buckhorn, High Private and Star Charter are also listed among the entries. It will be a race in which none of the starters can have an excuse as being short in condition, as the racing at Lexington and Churchill Downs will give probable starters the chance to get thoroughly fit before carrying colors in the Kentucky Handicap. The distance, a mile and a quarter, calls for the best that is in a horse. It is the same route of ground as the Brooklyn and Suburban Handicaps were run over in the old days, and the records of those two races show that it always took good horses to win such prizes.

The meeting at Douglas Park this spring will have all the attractions of the very best in turf sport. It is the first spring meeting held in recent years at this beautiful racing plant and the efforts of Manager Hachmeister and his associates in the management of this race track will surely be fully appreciated by the turf followers, not only of this city, but of all Kentucky, in their liberality in hanging up stakes and purses which will draw from the great stables all the best horses now on the turf.

Following the spring meeting at Churchill Downs, with its historic Kentucky Derby and Kentucky Oaks races, the local season will be at its heighth when Douglas Park begins its meeting. The racing at Churchill Downs, which is sure to be brilliant this spring, will whet the appetite of lovers of the sport for just such racing as Douglas Park will provide.

Louisville is just now conceded to be the hub of racing in all America. It has supplanted all other points as the seat of high-class turf sport, since New York was compelled, by adverse legislation, to close Belmont Park, Sheepshead Bay, Empire City and the other great metropolitan racing plants. These tracks, excepting Sheepshead Bay, will resume this season, but the restrictions under which they are placed does not permit them to hang up the money now offered for racing at Churchill Downs, Douglas Park and Latonia in this state. These three courses now stand pre-eminent on the racing map and the eyes of the turf world are all turned towards Louisville this spring.

His Majesty, J. W. Messervy's Kentucky Derby candidate, is temporarily out of training. This is due to the affliction of a severe cold, which, while nothing serious, has caused trainer G. W. Langdon to let up on him in his work. The latter attributes the son of Ogden's condition to the sudden and unusual change in climatic conditions here, and is confident that if the weather grows warmer within the next few days, the good colt will come right out of his present ailment. He does not think the let-up will seriously affect his condition, if the weather warms up soon, and it may be possible for him to get him to the post for the big race on May 10. Langdon regards His Majesty too highly, however, to take any chances that may affect him later on in his career, and he admitted today that His Majesty is a doubtful starter in the big classic. He will do all in his power to get the son of Ogden to the post, as the colt's owner is anxious to see him carry colors in the Derby this spring. His Majesty had trained well since his arrival here this spring, and has showed that he is a colt possessing a dazzling turn of speed as well as a disposition to race on over a considerable distance of ground.

On account of rainy and unsettled weather, there was little work at either of the local tracks today. The only horses that were timed at the Downs were Royal T. and Samuel R. Meyer, which did three-eighths in :42.

The book of conditions for the spring meeting at Churchill Downs, which begins on Derby day, May 10, and continues for thirteen racing days, will be distributed among horsemen next Wednesday. This book, in addition to giving the stake entries for the meeting, contains the conditions for the overnight purses and handicaps to be run during the first seven days of racing at the Downs this spring. The remaining six days will not be programmed until after the meeting starts. On the opening day the New Louisville Jockey Club will add to the Kentucky Derby and the five other races programmed for that afternoon the sum of $8,300. The full program for that day is as follows:

First Race—Selling, purse $600, for three-year-olds and upward; 3-4 mile.

Second Race—Purse $600, for two-year-olds, fillies; 1-2 mile.

Third Race—Purse $800, for three-year-olds and upward; 5 1-2 furlongs.

Fourth Race—Kentucky Derby, $5,000 added, for three-year-olds; 1 1-4 miles.

Fifth Race—Purse $600, for two-year-old colts and geldings; 4 1-2 furlongs.

Sixth Race—Selling, purse $700, for three-year-olds and upward; 1 1-16 miles.

A majority of the stables at the local tracks rested Sunday and few horses were worked at either Churchill Downs or Douglas Park. The Kentucky Derby candidates, Prince Hermis, Sam Hirsch, Leochares and Jimmie Gill were all breezed slowly, none going faster than a two-minute clip. The best work of any of the other horses was by a maiden, John D. Wakefield, which went an easy mile in 1:48⅘.

Hundley Baker worked Busy three-eighths in :38, and Limpet the same distance in :37, while the only two-year-olds that were timed at all were Boots and Saddle, which worked with Bundle of Rags, another member of E. R. Bradley's stable, three-eighths in :37⅘.

One of the largest tickets in the future books on the Derby is one calling for $10,100, which is the price a prominent turfman received for his wager of $100 on Jimmie Gill, the eligible to the race from the Doerhoefer & West stable. The books offered 100 to 1 against this son of Fatherless and this man took all they would stand at that price. Jimmie Gill is not taken seriously by form students as being dangerous in the big race.

The noted jockey, Eddie Taplin, was an arrival today and was busy working the horses of James Everman, for whom he will ride here and at Latonia. One of the horses that Taplin galloped today was his old favorite, Stone Street, the Kentucky Derby winner of 1908. Taplin says he never lost a race on Stone Street and, as a consequence, is much attached to the veteran, which bids fair to race in winning form again this spring at eight years old.

C. F. Buschemeyer returned from Lexington Saturday night, but went back there today to remain until after his great gelding, Hawthorn, runs in the Blue Grass Stakes next Saturday. He reports that Hawthorn could not possibly be in better condition and that the son of Hasings has, since his arrival in Lexington, won over many who had a leaning to Foundation, Helios and other Blue Grass region three-year-olds. Hawthorn had a rather narrow escape Saturday. At the Downs he has a double stall and at Lexington, of course, his quarters are of the regulation size. One of the stable boys left the lower door open and he laid down in such a position that both his hind feet hung out of the doorway. He nearly kicked the front of the stall out before he got up, but when examined it was ascertained that he had only scraped a few hairs off one of his legs. A repetition of the experience will be guarded against. One noted turfman who has been won over to the Hawthorn side since the son of Hasting was shipped to Lexington is T. C. McDowell, owner of The Manager, who trained Allan-a-Dale when he won the Kentucky Derby of 1902. McDowell thinks it is doubtful if he ever saw a faster or more courageous three-year-old and he went into ecstacies when at the close of Hawthorn's mile work-out the other day the big gelding ran the final quarter in :23⅕. He feels sure that with the track at Lexington in as fast a condition as he had seen it this spring, Hawthorn could break most any sort of a record there.

Dr. C. Cann has successfully gelded Nobby for K. Spence and, while he will be out of training for a time, in the opinion of that horseman, the son of Marta Santa will have a chance to come back later in the year to the good form that marked his running as a two-year-old. He has been a sore disappointment to his present owner, C. H. Knebelkamp, as he has not won a race since C. C. Van Meter raced him last fall.

W. F. Schulte's promising two-year-old colt, Noiseless, has come out of his recent sickness and trainer Brooks is now again working the son of Sempronius. He hopes to be able to begin racing him during the Douglas Park meeting. Noiseless is a half-brother to Gliding Belle and, as a yearling last fall, showed promise.

The New Louisville Jockey Club has issued this spring a beautiful poster for the meeting which begins at Churchill Downs on Saturday, May 10, and runs for thirteen racing days. The poster is decorated with a fine picture of last year's Kentucky Derby winner, Worth, in H. C. Hallenbeck's colors, with jockey C. H. Shilling up. The coloring used in the lithographing is a combination of green and yellow, which is the standard colors of this association.

On Saturday, with the "dogs" up and the track heavy, the Kentucky Handicap candidate, Buckhorn, worked a mile in 1:46 under restraint. It is doubtful if there is a horse in training that is going better than this good son of Broomstick. He has grown and spread out since he raced at Juarez early in the winter and, moreover, is one of the best "doers" now at the Churchill Downs. He is sure to give a good account of himself this spring.

With twelve starters, the Breeders Futurity, to be run at Lexington on May 8, will be worth $5,280.50 net to the winner. The second horse will take $1,373 net and the third horse $591 net, while the fourth horse will save his stake of $190. When Helios won it last year it was worth $4,154.50, and when The Manager captured it in 1911 it was worth $4,848. The inaugural of this race in 1910, when it was won by Housemaid, was worth $2,543. The Cincinnati Trophy will be the next richest two-year-old event decided on the American turf this season and will be of not much less value than Lexington's big race.

J. B. Cloher, a Chicago turfman, was here on his way to Lexington, stopping over to see the string of horses in training at the Downs in charge of E. Brewster. Mr. Cloher is a partner in the ownership of this stable, which embraces in its collection of horses the much-talked-about two-year-old J. B. Maylow. He has been at his home in Chicago since the close of racing at Juarez, where he spent the winter.

T. M. Green, now seven years old, in James S. Everman's stable at Churchill Downs, is training unusually well at present and looks as if he will surely be a "come back" this spring. There are few horses now racing that have a more creditable winning record than this speedy gelding. Up to date he has won no less than thirty-eight races and in forty-seven other starts he placed. He won eight races as a two-year-old, five as a three-year-old, fourteen as a four-year-old, seven as a five-year-old and four last season as a six-year-old. He has earned $18,795, which is $2,000 more than his sire, the great G. W. Johnson, won during his turf career. T. M. Green has three track records to his credit, his mile in 1:38⅗ never having been beaten at Jacksonville. He hold the Douglas Park track record of 1:43⅘ for one mile and seventy yards, and the five and a half furlongs record of 1:05⅖ at Latonia. He was on the track today as frisky as a two-year-old.

The punch firing given James Griffin's Idle Tale recently by Dr. B. Talbot has proven so effective that the indications now are that Mr. Griffin, if he so desires, can get the good three-year-old filly ready for racing late in the summer. Griffin has heard from the J. S. McCullough farm in Illinois that Idle Fancy, the dam of Fairy Story and Idle Tale, has just foaled a handsome bay colt by the noted race horse, Frontenac. She has a chestnut filly, now a yearling, by Hurst Park. Griffin has had taken up by one of his hands at the Fair Grounds track at Urbana, Ill., three maidens, two of which are three-year-olds and one a two-year-old. Both the three-year-olds are by Uncommon, one being out of Searchlight and the other out of Lady Charles. The two-year-old is a sister to Letourno. Griffin will also shortly take up the three-year-old filly, Arminda, which is a sister to the noted horse, Czar. These fillies will be handled for a time at Urbana and probably will join the Griffin string, which is now quartered at Churchill Downs, when he ships his horses to Latonia next June. They are said to be promising racing prospects. Neither of the three-year-old fillies by Uncommon were trained as two-year-olds.

Col. M. J. Winn and Judge C. F. Price are expected to reach here next Wednesday or Thursday. Upon their arrival the finishing touches will be made at Churchill Downs for the spring meeting, though all the improvements laid out at that track before Manager Winn went abroad have already been about carried out by Secretary Lyman H. Davis and superintendent Frank Keegan. A week's clean-up will put the plant at Churchill Downs in its usual beautiful aspect for Derby day, on Saturday, May 10. While there is stable room at Churchill Downs and Douglas Park for not less than 1,300 horses, the indications are that there will be few vacant stables at either of the tracks when the local racing season begins.

HAWTHORN BEGINS WELL

C. F. BUSCHEMEYER'S GREAT GELDING WINS HIS FIRST START AS A THREE-YEAR-OLD.

Kentucky Derby Favorite Makes Good Impression in Winning Allowance Race at Lexington—Racing Conditions Continue Unfavorable.

Lexington, Ky., April 28.—Notwithstanding decidedly winterish weather and an extremely sloppy track, the attendance for the second day of the Kentucky Association spring meeting was good.

Hawthorn made his first start of 1913 in the fourth race, which was an allowance affair at one mile for three-year-olds. He was, after the withdrawal of Lord Marshall, without opposition worthy the name, and won easily after leading all the way, though he was closely attended during the first part of the journey by Weyanoke. Strenuous and U. Steppa were the other starters. The Buschemeyer gelding made a generally good impression, though quite a number of the trainers and other observers expressed the opinion that he does not possess quite the snap he displayed as a two-year-old.

After dismounting from Hawthorn jockey Loftus said that the gelding had undergone a great transformation from his two-year-old style of running and instead of a desire to dash out into a long lead he felt eager to stay with his company and draw away on call. Trainer Trevey was greatly pleased with Hawthorn's showing this afternoon and feels sanguine that he will carry off the honors in the Blue Grass Stakes and Kentucky Derby. A big delegation of Louisville people came over to see Hawthorn run this afternoon, including owner C. F. Buschemeyer.

The first two races went to long shots from the stable of W. G. Yanke. Wilhite, the winner of the first race, is the property of W. H. Buckner, trainer of the Yanke horses, and Korfhage, winner of the second race, is owned by Applegate & Yanke. Bradley's Choice, the runner up to Korfhage, raced disappointingly and bore out in the stretch.

That remarkable old campaigner, Merrick, won the third race in the colors of J. C. Milam, but he had to stand a drive at the end from Tillie's Nightmare to do it.

Brave Commander, from the E. R. Bradley stable, won the fifth race after a stretch battle with Barbara Lane. Gladys Y., heavily backed, performed poorly. Ursula Emma led until well in the stretch in the last race, but she did not have enough to stand off Sir Catesby and he beat her out in a drive. Apiaster, the one about which there was the hottest tip, finished far back.

Complying with the recommendation of the State Racing Commission, the Kentucky Association officials today appointed John T. Ireland patrol judge for the remainder of the meeting.

Chairman Milton Young will approve only those applications for licenses against which no protest has ever been lodged.

Jockey J. Hanover has accepted terms to ride for R. F. Carman during the Belmont Park and Jamaica meetings. Mr. Carman wanted to sign Hanover on a year's contract, but the rider demurred.

Jockey C. Peak will have the mount on John W. Schorr's Leochares in the event that he is a starter in the Kentucky Derby.

Jockey Borel attributed the poor showing of Gladys Y., which was extensively supported in the fifth race, to frequent interference soon after the start.

WHITNEY RACERS BACK FROM ENGLAND.

New York, April 28.—The steamship Minnewaska, which arrived today, bought three of Harry Payne Whitney's horses, which left Newmarket on April 18. They are: Whisk Broom, Prince Eugene, by Hamburg—Eugenia Burch, and Nightstick, by Broomstick—Handspun. They will be trained at Brookdale by James Rowe for the races at Belmont Park and Saratoga. Two of Charles Kohler's fillies, names and pedigrees unknown, also came on the Minnewaska. Mr. Kohler himself will go abroad soon for a three-months trip. Whisk Broom won more than $25,000 in first money alone in England. He won seven races in four years (1909, 1910, 1911 and 1912), and ran second a year ago in the Kempton Park Jubilee Handicap.

WORK-OUTS OF LEXINGTON HORSES.

Lexington, Ky., April 27.—The local track was heavy and holding this morning and the "dogs" were up when the horses worked. The best work of the morning was done by Old Woman, Hickey Bros.' Ashland Oaks candidate, which did a mile in 1:49, handily. Trainer W. J. Young expects her to make a good showing in the Oaks on Tuesday. Other work-outs were as follows:

Anna Patricia—Five-eighths in 1:10, cantering. Looks fit.
Billy Holder—Three-quarters in 1:23, cantering. Acts as if ready.

Sprite—Three-quarters in 1:21. Is training finely and looks good.

Lexington, Ky., April 28.—The track was heavy this morning and training operations were chiefly confined to work under the stable sheds. Among the work-outs over the main track, around the "dogs," were the following:

Brookfield—Five-eighths in 1:10, cantering. Is training slowly.

Wolfe, an apprentice who is riding at Havre de Grace, advanced to first place in the American jockey list for 1913 as a result of last week's racing. TWO THOUSAND GUINEAS TOMORROW.

Over in England this week the Newmarket First Spring meeting takes place on Tuesday, Wednesday, Thursday and Friday, and in its course, two of the classics will be decided. The Two Thousand Guineas for three-year-old colts will be run over the Rowley Mile on Wednesday afternoon, and the One Thousand Guineas for three-year-old fillies, will be run over the same course on Friday. The Two Thousand will probably be contested by twenty or more colts, with Shogun sure to be the post favorite. American interest will center in the running of Rock Flint and Mr. Whitney's selection, which probably will be Harmonicon.

NOTES OF THE TURF.

Master Robert is the sire of a fine colt foaled by R. H. Davis' mare Desirous, at Charles Kohler's stock farm, Ramapo, last week.

Hearing of H. D. Brown's application for an injunction against the Jockey Club has been postponed to May 2 by agreement of counsel.

Jockey W. Knapp has signed a contract to ride for Robert Davies and has left Havre de Grace to report to the stable trainer at Toronto.

At the meeting of the Washington Racing and Hunt Club, which will be held May 22, 24 and 26, it has been decided to make the military test race seventeen miles.

Ten Point's victory of Saturday at Havre de Grace has had the effect of further reducing the odds obtainable against him in the future book at Louisville and he is now a strong second choice at 3 to 1, while Hawthorn remains favorite at 2½ to 1.

Capt. J. B. Viley sustained quite a loss recently in the death of his good mare, Miss Kinney (dam of Belle Kinney and Arrow Swift) by George Kinney out of Stiletto, by War Dance. The mare died shortly after having a foal, which also died, by Peter Quince.

Owing to the generous subscription of the Ontario Jockey Club, the directors of the Canadian National Horse Show at Toronto have been enabled to increase the value of the prizes in the thoroughbred stallion class. The prizes will now be as follows: First, $125; second, $75; third, $50, and fourth, $25.

L. N. & K. C. Miller, of Wymore, Neb., will ship their horses to Louisville for spring racing in charge of James Estep and George Miller, as follows: Ira K., ch. h, 6, by Don de Oro—Throstle; Jack Combs, ch. h, 7, by Jack Point—May Combs; Frilled and Fancy, b. h, 7, by Watercolor—Wideawake; Goldflight, ch. m, 7, by Goldcrest—Bridesflight.

Gene Elrod has provided 700,000 pari-mutuel tickets for the various races to be decided at Lexington. Of course, this is more than is really necessary, but in order to be on the safe side Mr. Elrod finds it advisable to anticipate on a large scale. He has received from his brother, Arthur N. Elrod, a request to send him fifteen pari-mutuel machines to be used at Baltimore by the Electric Park Racing Association, which will conduct a six-days meeting there beginning May 21.

Sol Lichtenstein, who was one of the best known bookmakers on the New York race tracks in the days before the anti-racing laws were passed and who then became a buyer of rare books, is named as a defendant in a suit in which the plaintiff says he was induced to buy a collection of books represented to be worth $125,000 which were valued at not over $10,000. The plaintiff is Harry M. Levengston, who is suing for $26,000, the difference between $36,000, which he paid for the books, and $10,000, the actual value.

The quaint old home of the Turf and Field Club on Long Island will once more be thrown open to its members with the resumption of racing at Belmont Park. At a meeting of the board of governors, those present being Messrs. F. K. Sturgis, H. K. Knapp, F. R. Hitchcock, J. Searle Barclay, Jr., Lawrence L. Gillespie, H. S. Page, Madison Grant, J. G. Livingston, Winthorp Burr and Francis R. Appleton—Messrs. Edward F. Whitney, Tyler Morse, Rene M. La Montagne and Henry T. Fleitman were elected members of the club.

The eastern amateur racing season opened Saturday under sunny skies at the picturesque Hewlett Bay Park course. It was the annual steeplechase meeting of the Rockaway Hunting Club. Many prominent society people were among the 2,000 persons present and their machines filled the parking space at the side of the track until they were many lines deep. It was a lively picture and those who had motored from New York and all parts of Long Island to take in the races seemed thoroughly satisfied with the day's sport. Layers aplenty were present and there was no obstacle in the way of backing any horse one liked, according to newspaper reports.

Sam Hildreth is winning many races in France, but a Paris letter says he is not wagering any more. The Hildreth campaign in Canada, his last season on this side of the Atlantic, was a disastrous one from a betting standpoint, and though his horses earned a good deal of money, he was a loser to the amount of about $30,000 by the end of the second Hamilton meeting, after which he had a sale, and abandoned racing on this continent. Mr. Kohler bought the best of the Hildreth horses and sent them abroad, with him as trainer, and there is no more skilful man in the business. Hildreth is not the first man who has found that while backing horses, whether one's own or another's, may afford some entertainment, and frequently profit, it is rather precarious as a means of livelihood.—Toronto Globe.

DOINGS OF KENTUCKY COMMISSION.

Lexington, Ky., April 28.—It was incorrectly stated in summarizing the action taken by the Kentucky State Racing Commission on Saturday that M. J. Daly had been reinstated. The official report of the action taken is as follows:

"Upon motion, duly seconded and carried, the commission's ruling entered September 23, 1911, whereby W. C. Daly and M. J. Daly were ruled off for fraud in transferring the services of the jockey Arthur Wrispen to James F. Johnson after having sold the same to Ed. Corrigan, was set aside so far as the same affects W. C. Daly. The resolution recited that there was doubt as to whether the commission of the Jockey Club of New York had jurisdiction.

The following new rule was adopted:

"To any race that is given as a substitute for a race which has been declared off, the same amount of money shall be added as was to have been added to the race which was declared off and for which such race is a substitute."

Rule 107k was amended to read as follows:

"A boy who has of his own free will, with the consent of his parents, parent or guardian, bound himself as an apprentice to any owner or trainer, for a term of not less than three years, by written contract, a certified copy of which shall be lodged with the State Racing Commission, may claim a five-pound allowance, when riding for his contract employer in all selling races during the year for which his license has been granted, and during a period of one year from the date he rode his first winner. Apprentices riding for owners other than their contract employer shall not be entitled to any allowance. Allowance under this rule must be claimed at time of entry."

The following new rule was adopted:

"No racing association licensed by this commission shall permit any pari-mutuel machines to be set up or operated on any part of its grounds except in the regular betting shed or ring; and no betting commissioners shall be employed or allowed to carry any bets from any part of the grounds to the pari-mutuel machines, and no tickets shall be sold in any pari-mutuel machines except in the regular betting shed or ring."

Rule No. 24 was amended by striking out the following words: "Nor shall the conditions of a race be so made as to favor horses of a certain age over horses of any other age," so that the same when amended shall read as follows:

" 'Conditions of races shall not conflict with the racing rules in any manner.' "

ANSWERS TO QUERIES.

Communications without names and addresses will not be noticed nor answered. No answers will be sent by mail and none by wire unless reply prepayment is made at time of wiring query.

R. M. C., Toronto, Ont. The bet on Uncle Jimmie was a draw.

F. H. M., San Francisco, Cal. The parlay lost, the horse being in the starter's control when he ran away.

T. T., Chicago. Tracks in active operation in England greatly outnumber those in the United States.

D. J. D., Pittsburgh, Pa. At Lagoon track, Salt Lake City, July 15, 1912, Ben Uncas won at 20 to 1, post price.

C. B. L., Chicago. Pan Zareta and Floral Park met twice last season in races at Lagoon. July 4, Pan Zareta won at a half mile with Floral Park left at the post. July 9, at four and one-half furlongs, Floral Park was first and Pan Zareta second in 52⅘, the time equaling the American record for the distance.

GALAXY, running in much improved form, sprinted away from the others while rounding the last turn, but tired badly in the last eighth and just lasted long enough to win. MATER finished gamely under a hard drive and would have won in another stride. VEGA could not keep up and ran wide on the stretch turn. STAKE AND CAP closed a big gap. VEILCHEN was in a jam soon after the start and crowded against the fence, having little chance afterwards.

Scratched—7862 Florin, 105.

SHERWOOD was outrun for the first quarter, but moved up on the outside while rounding the far turn and, in a fast finish, easily disposed of MONTRESOR in the last sixteenth. The latter, showing much speed from the start, set a fast pace and held the others safe for five-eighths, but tired badly when challenged by the winner.
